Coach Swank explained the team had a great season and looks to improve through summer conditioning and leagues. Summer/fall leagues being considered include Westmont Shootout, Berlin league, Conemaugh Township league, Morgantown, and AAU in Pittsburgh. Mr. Shilk informed Coach Swank to complete a building and use form for their summer workout schedule so custodial staff can be made aware. The team plans to use the weight room and gym for summer conditioning so forms need completed for both facilities. Both coaches plan to return next season in their respective positions. Due to the number of interested players Coach Swank asked if it was possible to order 4 more uniforms for next season.

3. Girls Varsity Assistant Coach/ Athletic Director – Coach Thomas

Coach Thomas thanked the board members for the opportunity to work with the school athletic programs. He is not looking to return to either position at this time. It was a good season for the team with some great accomplishments. Coach Thomas is working on scheduling for next season with the volleyball schedule full, and basketball schedules about half full.

4. Cheerleading – Coach Shroyer

Coach Shroyer expects 12 athletes to return next year and several new ones to join the squad. There are limited competitions for their size squad so she is considering hosting something for the county or local area smaller squads. Both coaches are planning to return next season.

5. Uniforms – 2024-2025

The uniform rotation shows softball getting new uniforms next year. Administration will also get a quote from Sportsman's for 4 additional basketball uniforms to present to the board.
