TITLE: CURRENT EVENTS

ADOPTED: November 15, 2010

REVISED: December 5, 2016

TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

119. CURRENT EVENTS

1. Purpose

The Board believes that consideration of current events has a legitimate place in the educational program of the schools.

Properly introduced and conducted, consideration of such events can help students learn to identify important issues, explore fully and fairly all sides of an issue, weigh carefully the values and factors involved, and develop skills for formulating and evaluating positions.

2. Definition

For purposes of this policy, a current event is a topic on which opposing points of view have been promulgated by responsible opinion, and is not expressly enumerated in the course guide as appropriate for the course of study.

3. Authority

The Board shall permit the introduction and proper educational use of current events, provided that their use in the instructional program:

1. Is related to the course's instructional goals and the student's level of maturity.
2. Does not tend to indoctrinate or persuade students to a particular point of view.
3. Encourages balanced presentations and open mindedness.
4. Is conducted in a spirit of scholarly inquiry.

The Board recognizes that some deviation from the assigned course guide is necessary in the free exchange of the classroom. However, the Board specifies for the guidance of the Superintendent and staff that any discussion of current events in the classroom shall be conducted in an unprejudiced and dispassionate manner and shall not disrupt the educational process or be unrelated to the goals of the district and the appropriate course guide.

4. Delegation of Responsibility

In the discussion of any event, a teacher may express a personal opinion; but s/he shall identify it as such and must not express such an opinion for the purpose of persuading students to his/her point of view.
