 REVISED:

# TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

214. CLASS RANK	
1. Purpose	The Board acknowledges the usefulness of a system of computing grade point averages and class ranking for secondary school graduates to inform students, parents and others of their relative academic placement among their peers under relatively similar circumstances.
2. Authority	<p>The Board authorizes a system of class ranking, by quality point average, for students in grades 9 through 12. All students shall be ranked together.</p> <p>Any two or more students whose computed quality point averages are identical shall be given the same rank. The rank of the student who immediately follows a tied position will be determined by the number of students preceding him/her and not by the rank of the person preceding him/her.</p>
Pol. 216	<p>A student's quality point average and rank in class shall be entered on his/her record and shall be subject to the Board's policy on release of student records.</p> <p>Rank in class shall be entered on students' records and on all transcripts where they will be available for review by authorized persons.</p>
3. Delegation of Responsibility	The Superintendent shall develop procedures for the computation of quality point averages and the assignment of rank in class to implement this policy.
