- If the student(s) want to remain in the same school they were attending, or the school they attended when they first became homeless, the student is entitled to transportation back to the prior school pending full resolution of the dispute of the placement (including any transportation involved) so long as it is feasible, reasonable and in the best interest of the student.

- The McKinney-Vento school district liaison can assist the family or unaccompanied youth in appealing the school district’s decision. - The family or unaccompanied youth can opt for an advocate or attorney to handle the matter.
- The family or unaccompanied youth may ask for help from the Commonwealth’s Office of General Counsel.
