

TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

SECTION: PROFESSIONAL EMPLOYEE

TITLE IN-SERVICE OR STAFF
DEVELOPMENT

ADOPTED: APRIL 20, 2015

REVISED:
FORMERLY 3750

408.2 IN-SERVICE OR STAFF DEVELOPMENT

1. The development of the in-service education program shall be governed by the following goals:
 - a. The improvement of total staff competency.
 - b. The improvement of the individual staff member's competency.
 - c. The improvement of the educational program.
2. The plan for in-service education shall be a cooperative venture among the teaching staff and administration and supervisory personnel. The administration of in-service programs shall be the responsibility of the Superintendent or his designates.
3. The Board of School Directors will make every effort to provide funds to aid in the implementation of an effective in-service training program.
4. Included in the programs shall be a planned orientation for teachers in the District and end of year clerical work.
