

TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

CLUB AND CLASS ACTIVITIES

618 AR 2. CLUB AND CLASS ACTIVITIES

1. SCHOOL ATHLETICS, PUBLICATIONS, AND ORGANIZATIONS. See School Laws of Pennsylvania, Section 511.
2. However, club and class activities shall be considered a part of normal teaching duties and shall not be eligible for extra pay, provided that these duties shall be fairly distributed among members of the faculty of the school.
3. Rules and regulations for the establishment and conduct of clubs and their activities shall be established by the Administration and made known to the faculty and the students involved.
4. All activities involving sales or events where money is received shall be submitted to the Building Principal by the August or September meeting with the anticipated budget for the following year's spending plan.

Fund raisers shall be those sales or activities held for the purpose of generating income for a club or organization's account. Specific Board approval must be received concerning any such activity. The Board further desires that a limit of two (2) fund raisers be adhered to in order to allow equal opportunity for all clubs and organizations to raise necessary funds for operation.

Non-fund raising activities may be those activities which are sponsored by a club or organization solely for the purpose of entertainment or promoting good school relations. There shall be no limit placed on the number of these activities so long as they are submitted properly for Board consideration.

A master calendar shall be maintained by the Administration in order to police and record all activities.

Any booster club or other group desiring to assist in fund raising for any TVA organization shall submit these requests to the respective Building Principal who will forward to the Turkeyfoot Valley Area School Board for consideration. Any activity involving student help or solicitation shall be deemed as a fund raiser for that particular club and may be required to comply with before mentioned guidelines.

An annual report shall be made listing gross income and profit for each fundraiser and activity held. Inclusion in the annual budget shall be considered adequate notification.

The Turkeyfoot Valley Area School Board may suspend, alter, modify or otherwise govern these activities at any time in a regular Board meeting of the District.

Failure to voluntarily comply with these guidelines may jeopardize the future activities of any previously recognized group, club or organization.

Anyone desiring to hold continuing fund raisers (such as a monthly candy, pizza sale, etc.) and be recognized as having a single event shall submit appropriate information for Board consideration. Nothing shall be implied as to approval.

5. Each club or student organization desiring a field trip must submit their request in writing through the Building Principal thirty (30) days in advance.

ADOPTED 5/20/15
