SECTION: PROPERTY

TITLE: EMERGENCY AND DISASTER
PLANS

ADOPTED: March 18, 2013

REVISED:

	<p style="text-align: center;">712. EMERGENCY AND DISASTER PLANS</p> <p>1. Authority</p> <p>If a disaster or an emergency should occur that would require action by school district employees or involve the use of school facilities, supplies or equipment, the Superintendent or his/her designee is authorized to initiate the Emergency and Disaster Administration Plan or to take actions required to protect the interests of the school district.</p> <p>2. Responsibility</p> <p>The Superintendent is responsible for administering the District's Emergency and Disaster Plan and has the authority to establish rules, regulations and procedures for administering and utilizing school district facilities, equipment, supplies and staff during times of emergencies and disaster. The Superintendent shall be responsible for the general supervision and welfare of the students enrolled in the school district. This responsibility includes the authority to cancel or postpone social events, club meetings, sports events, community education programs and such other activities that are operating in various buildings, and to work with other agencies as legally required or deemed necessary.</p> <p>It is obvious that written procedures cannot be prepared to cover the many possible emergencies. Therefore, the authority delegated within carries with it the right to make decisions in accordance with existing conditions and needs.</p>
