

TURKEYFOOT VALLEY AREA SCHOOL DISTRICT

SECTION: OPERATIONS

TITLE ADMINISTRATION OF
TRANSPORTATION PROGRAM

ADOPTED: January 19, 2015

REVISED:

FORMERLY 7510

810-AR 3 ADMINISTRATION OF TRANSPORTATION PROGRAM

1. School bus routes and bus stops shall be developed by the Administration and approved by the Board.
2. The Superintendent shall be the only one authorized to change bus routes or bus stops after gaining Board approval except in such emergency situations that require immediate action pending Board approval.
3. After the determination of bus routes and stops, the Superintendent shall either prepare the specifications for needed services for competitive bidding or negotiations which shall be approved by the Board.
4. Authorized routes traversed by a bus will be posted along with a list of pupils authorized to ride the vehicle and the schedule of stops.
5. Enough buses shall be provided and routes shall be designated so that maximum utilization of buses is accomplished without exceeding the rated capacity of buses.
6. School Buses; Safety Requirements. See School Laws of Pennsylvania, Section 3207.
7. Each school bus driver shall receive and abide by the instruction as printed in the School Bus Driver's Handbook as distributed by the Department of Education.
